

## MARE Project

Alexandria University is pleased to announce the opening of applications for **Student Mobility Grants** to the **University of Palermo** for the Fall Semester of the 2025–2026 academic year.

Selected students will have the opportunity to study at the University of Palermo in one of the following degree programs:

- **L34 bachelor's degree in Geological Sciences:**  
<https://www.unipa.it/dipartimenti/distem/cds/scienzegeologiche2126>
- **LM75 Master's Degree in Environmental Sciences and Technologies:**  
<https://www.unipa.it/dipartimenti/distem/cds/scienzeetecnologieambientali2324>
- **LM6 Master's Degree in Marine Biology:**  
<https://www.unipa.it/dipartimenti/distem/cds/biologiamarina2105>

### I. Mobility Duration Options:

- **5 months** – for students intending to attend courses and receive academic recognition for one or more subjects.
- **2 months** – for students focusing on thesis work, research, or short-term study.

### II. Financial Support:

- The University of Palermo provides incoming students within the MARE project with a monthly scholarship of **€900**.
- Travel expenses are reimbursed based on ticket costs, up to a maximum of **€309**.

### III. Required Documents:

- CV (maximum 2 pages).
- Copy of National ID card.
- Copy of Passport.
- Letter of Motivation.
- Transcript of records of previous academic studies.
- Certificate of Enrollment in your current program at Alexandria University.
- Bachelor's degree certificate (**only for postgraduate applicants**).
- **For students intending to work on their thesis:** Certificate that their proposal has been approved and the approval of their main supervisor.

To apply, please fill in the form on this link or follow the QR code, and upload the required documents in ONE PDF file by **27 June 2025**.
