FINANCING:

Mobilities for staff (teaching or training) can be carried out as soon as the selection confirmation has been received and the mobility period has been defined with the host university.

As for **incoming mobility** (from partner countries to Italy), the amount of the scholarship provided as individual support is **190 euros per day**. The duration of the mobility is 5 days plus 2 travel days (A/R). As for **outgoing mobility** (from Italy to partner countries), the amount of the scholarship provided as individual support is **190 euros per day**. The duration of the mobility is 5 days plus 2 travel days (A/R).

In addition to individual support, the project covers **travel expenses** calculated on the basis of the distance between the place of departure where the home university is located and the place of destination where the host university is established, in accordance with the distance calculator provided by the Erasmus + program.
